

**UP State Fair Highland Cattle Show
The Yooper Classic
August 19, 2022**

Midwest Highland Cattle Association UP State Fair Yooper Classic Highland Cattle Show

We are proud to participate in the UP State Fair with one of several American Highland Cattle Association Roll of Excellence Superpoint Shows.

In addition to showcasing our dramatic and beautiful breed of full-bred Highland cattle, the ROE Point Shows award points to individual animals based on their placings in their class in each ROE event where they participate.

A yearly high-point winner is designated for Roe Show Bull of the Year, Cow/calf of the Year and Heifer of the Year as well as Division winners . This is designed to reward not only outstanding cattle, but the owners and breeders who bring their cattle out in multiple venues to compete. The more shows attended the greater the chance to make the list of ROE winners.

MWHCA Junior Show

Junior Judge: Brandon Volstad

I've been raising and showing highlands for seven years. Coming from a family with no agricultural experience, getting into cattle was dramatic change for my lifestyle. I spent my first 4 years learning how to work, vaccinate, show, and develop cattle with Cobblestone farm and the Larson family. Now, I run a small cow/calf operation of my own, breeding primarily through AI and now starting with embryo transfers. I also enjoy helping juniors learn evaluating animals, as well as pointers on improving showmanship. I am very excited for the opportunity to come judge this year's junior show!
